Durham, N. C.

Dear Mr. Jenkins:

I am in receipt of your letter of July 9th and I am sorry I could not come to Durham to play the Red Caps on Aug. 3rd, the reason is I am scheduled with the Cincinnati Buckeyes of the Negro American League the entire week from August 2nd to the 7th, however, if you were interested and could arrange we could probably come to Durham for August 4th and play the Cincinnati Buckeyes a Negro League game.

We would have to charge a higher admission price than you charge. We are playing in Newport News, Portsmouth and Norfolk and charge 75¢ in the stand. We would pay all expenses of the game and give you 10% for promoting it.

If you are interested please answer right back, because we would not have a lot of time to get to work.

. Very truly yours,
